Ali I ordered the black hardback for a gift to my little brother and they sent me a paperback. Wrong product. One star. The book material itself is fantastic and was my very first poker book. I went from losing home games often to winning often just by reading this book. 0 of 0 people found the following review helpful. If you're lucky and don't chase every hand like a bingo player. By CustomerOld, and full of the obvious. Secrets to winning? Yeah right. If you're lucky and don't chase every hand like a bingo player, you win. If not. You lose everytime. 0 of 0 people found the following review helpful. One Star. By CustomerGood condition but it wasn't a hard cover book

SS2 features winning strategies and professional secrets from the world's best players including new advice from Doyle and the addition of no-limit legend Phil Helmuth, holder of the most world series championships ever.
