1 of 1 people found the following review helpful. ok bookBy SageCroneI expected a better written book from all the five star reviews I read. It is an ok book. Lots of information but needs to be better organized.1 of 1 people found the following review helpful. very good bookBy sunny74I enjoyed reading through this book very much. It helped me to understand how other teachers and dancers use the elements in a song. I appreciate that very much0 of 0 people found the following review helpful. Four StarsBy JWGood informative book. Glad I purchased it.
