Jeremy Harwood : Learn To Play The 200 Best-Ever Card Games: A fantastic compendium of the greatest card games from around the world, including the history, rules, and ... each game, with more than 400 illustrations. before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn To Play The 200 Best-Ever Card Games: A fantastic compendium of the greatest card games from around the world, including the history, rules, and ... each game, with more than 400 illustrations.:

0 of 0 people found the following review helpful. Beautiful waste of money. By Kylan T. I was very excited to receive this large format book. It arrived quickly, but it was in a soft package and the mail person rolled it up to fit in my mailbox. A soft cover book like this needs a hard box for protection. This left a permanent curve to the book. Then... the worst. My family plays a lot of cards. Rummy, Gin, Cribbage, Pinochle. We know the basic rules. I sought to clarify something about scoring in Gin. # different adults read the rules and we all determined that they are incorrect. Hoyle's agrees with us. With such an outrageous error on a well known game, I am reluctant to learn any new games from this book. I would not know if they are the right rules or even able to be followed. (the gin scoring rules left the winner of each hand with negative points)

0 of 0 people found the following review helpful. Super book By KELINA Loads of games in the book ... great condition when it arrived

0 of 0 people found the following review helpful. Five Stars By Dogonets Great book, lots of games!

This essential reference brings together all the best card games, including canasta, bridge, rummy, blackjack, cribbage, whist, solitaire and poker. Everything from fun and simple games for beginners and family players, to professional tips and expert gui

About the Author Jeremy Harwood has long been a card game enthusiast, with a particular interest in card games through history. He read modern history at Christ Church, Oxford. After working on the catalogue of the letters and papers of the third Marquess of Salisbury, he became a full-time editor and writer. His books include Secrets of the Bach Flower Remedies (Dorling Kindersley) and The Freemasons (also published by Southwater) and, as contributing editor, the award-winning Mysteries of History (National Geographic).
