David French : Leaving Home, Of the Fields, Lately, and Salt-Water Moon: Three Mercer Plays before purchasing it in order to gage whether or not it would be worth my time, and all praised Leaving Home, Of the Fields, Lately, and Salt-Water Moon: Three Mercer Plays:

Leaving Home tells the story of the Mercers, a Newfoundland family that has lost its way after emigrating. The sequel, *Of the Fields, Lately*, finds son Ben returning home to find his mother trying to sustain his father after a heart attack. Rounding out the trilogy is the prequel, *Salt-Water Moon*, focusing on Mary, a fierce teenager with steel in her heart. Brilliantly blending comedy and tragedy, these important realist plays appear for the first time together in this illustrated edition, with a new introduction by the author and a foreword by Arthur Schultz.
