Frank Frazetta's paintings and illustrations have set the standard for fantasy artists for the past 50 years. This collection focuses on his influence in a variety of media and genres and on his place in 20th century art history. Coedited by Hugo Award-winning editor Arnie Fenner, it includes many of Frazetta's most memorable paintings as well as revised works. The art is accompanied by the artist's own observations and commentary by a number of his contemporaries.
