Since There Are So Many Puzzles, Minikits, Achievements, etc. By Fun Times Mom Very helpful for any completionists out there.. This guide covers all the forms of games out there.. PS3, PS4, 360, XBOX ONE, Wii U, 3DS, Vita PC/Mac. There's a free eGuide code on the inside of the cover.. Or you can pay \$9.99 and just download the e version. It provides checklists for all the Characters, Vehicles, Minikits, Red Bricks, Gold Bricks etc for you to use as you unlock them and where to unlock them at. It also provides you in advance with the codes for 32 Characters that will be unlock-able as you play along. It's a total of 284 pages which is on the larger side of most manuals. The first 175 pages are for the console versions only the rest of the pages are for the handheld version. The layout is nice and it has good pictures and color throughout. Here are some pics.. 0 of 0 people found the following review helpful. The Force is strong with this one! By Eric Very informative. Provides great information on all characters, levels and bonuses that come with the game. It's also helpful because it gives information for console and handheld versions as well. 1 of 1 people found the following review helpful. Great guide By N8TRU This is the best game guide I've ever used. It has check boxes to make sure you complete everything you need to and you can keep track of your progress and note what you no longer need to search for. The game is huge and definitely bigger than recent LEGO games so I recommend this to anyone buying the game especially since has the lowest price out there.
