I'm super excited! 0 of 0 people found the following review helpful. Can not Buy Me Love and Yesterday By Customer Until now I've only played 3 songs from this book: All My Loving, Can not Buy Me Love and Yesterday. To play them, you need to use the 4th position in some cases, except for "All My Loving". The sheetmusics are available only for cello, You can be accompanied by the CD, where cello notes sounds like piano and there is a band playing too. Very cool! 2 of 2 people found the following review helpful. Not for me. By Myrna Jacobs Maybe I'm just too new at cello but I thought this would be easy. It is too advanced for me.. and it's not really a solo thing.. which I thought it would be. I wish people would say when it's actually for cello ALONE....

and not just part of the instrumentation.

Instrumentalists will love playing along with these 11 favorites: All My Loving * Can't Buy Me Love * Eleanor Rigby * The Long and Winding Road * Ticket to Ride * Yesterday * and more.
