CD is played with Piano not violin.By DavidIt does come with a CD. It would had been nice if the CD was in violin and not Piano. It says "Solos for Violin" It the music should be violin also. Save your money and make sure your buying a music book (With CD) for violin!2 of 2 people found the following review helpful. A Good BookBy Alexandre P. S.Well, the book brings the main Beatle's songs. Some of them begin with an introduction part played with another instrument,

after which the violin takes its place playing the solo. It can be said that it's a good book.

(Instrumental Play-Along). Instrumentalists will love playing along with these 11 favorites: All My Loving * Can't Buy Me Love * Eleanor Rigby * The Long and Winding Road * Ticket to Ride * Yesterday * and more.
