For Old Time's SakeBy Sancho PanzaThis handy book will introduce you to the original Pokemon Trading Card Game, before all the changes in gameplay rules and mechanics. Good to look over if you want to play with the older cards.0 of 0 people found the following review helpful. Pokemon GuideBy Kindle CustomerMy Grandson and Son-In-Law found the book to be very helpful in understanding how to

play the game of Pokemon.0 of 1 people found the following review helpful. Good overall.By DOingNOThingGood, apart from the fact that the cover was a little bit sticky. But I am very happy with the purchase.

An expanded official guide to the trading card game sensation. This full-color guide includes detailed descriptions of decks kids can build, a comprehensive card encyclopedia of all English cards from the original base set through the Team Rocket expansion, an evolution chart, and tips for advanced play. The book also contains a special section for parents about learning from the Pokmon game, responsible trading and collecting, and the Pokmon TCG League.
