Lionel Messi poses for a series of never-before-published photographs taken by Domenico Dolce especially for this unique book. Rising from Rosario, an Argentine town in Santa Fe Province, "Leo" has become the foremost soccer player in the world. He is the forward for FC Barcelona and the Argentine national team, as well as the winner of the Ballon dOr for four years in a row since 2009. The portraits selected for this project disclose an unconventional Messi, very different from the one seen at matches. As a matter of fact, the book showcases the star players private, more intimate life captured by Domenico Dolces creativity and unfailing eye. The photographs will be printed on special

gold and silver paper. The images lay bare the emotions, moods, and passions of this young athlete, who has succeeded in bravely overcoming adversity in order to fulfill his dream: to become the number one among the worlds top soccer players.

The private life of the worlds top soccer star is documented by two of his biggest fans Domenico Dolce and Stefano Gabbana ~C for Men About the Author Domenico Dolce founded the Company together with his partner Stefano Gabbana in 1985.
