Shaun Usher : Lists of Note: An Eclectic Collection Deserving of a Wider Audience before purchasing it in order to gage whether or not it would be worth my time, and all praised Lists of Note: An Eclectic Collection Deserving of a Wider Audience:

2 of 2 people found the following review helpful. MehBy Cristy CardinalIt was vaguely interesting at best. It was a 99 cent deal on , and that seems about right. So, meh.4 of 5 people found the following review helpful. Excellent coffee table bookBy JakeThis book is awesome. I bought it as a gift for my brother as a coffee table book, which seems like the perfect use to me. This isn't really a re-reader. It's more like something you'd show visitors when they come over. It's really fascinating.I'm not sure why other reviewers are complaining about it being a coffee table book, because

that's clearly what it's meant to be, and it's one of the better ones I've ever seen. I spent quite a while flipping through the pages, sitting in front of the wrapping paper like a dummy instead of wrapping the book like I was going to, just because it was so interesting. If you like history and need a good coffee table book, this is a great one. 0 of 0 people found the following review helpful. Interesting By Candace Tyree I am a history buff so these lists intrigued me. Some of the lists were a little tedious and I found them a little difficult to hold my interest but overall the book was interesting and fun.

Lists of Note curates 125 unputdownable entries from a list of names that are as eclectic and intriguing as its contents, which include myriad reasons given by ancient Egyptians for missing work, Albert Einstein's demands of his estranged wife, F. Scott Fitzgerald's extensive conjugation of "to cocktail," and many more. Rarely intended for the public eye, these lists reveal hopes, priorities, and musings in a most engaging and entertaining way. Each transcript is accompanied by an artwork, most a captivating facsimile of the list itself. Richly visual and irresistibly readable, Lists of Note is a testament to the human urge to bring order to, poke fun at, and find meaning in the world around us and is a gift of endless enjoyment and lasting value.

Holiday Gift Guide selection -Newsday" Just as wonderful a read as Letters of Note, Lists of Note will intrigue you and likely get you to start making some of your own lists, if that isn't already your habit. I know I'm inspired." -Geek Dad Holiday Gift Guide Pick -Geek Dad Holiday Gift Guide Pick "50 Super Smart Books For Everyone On Your List" -mental_floss Holiday Gift Guide Pick "...the perfect gift for the book collector in your life who likes to explore the humanity behind people and things in life. This not only makes a great coffee table addition, where house guests and friends can skim selections and converse about them, but it's also a must-read from cover to cover!" -Daily Mom "beautiful and immensely satisfying" - Observer (UK) "Quirky and light-hearted" -Daily Mail "Dipping into it, with Usher's interesting notes and asides an amiable companion, is fascinating." -Guardian "An excellent gift for the list-maker in your life." -The Advocate "Lists of Note: 1. Splendid. 2. Addictive. 3. Sumptuously produced with interesting photos and facsimiles of actual list." -Independent (UK) "...a rich visual anthology of lists ... 'Lists of Note' will charm readers and keep them from tackling their own lists, abandoning their to-dos in lieu of studying those of others." - Boston Globe "...what an enjoyable book! You can't stop with just one list." -Shelf Awareness for Readers About the Author Shaun Usher founded the blog-based archives Letters of Note and Lists of Note, hugely popular internationally. He lives in Manchester, UK.
