**Speedy Publishing LLC : Logic and Brain Teasers Crossword Puzzles Vol 1 (Crossword Puzzles Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Logic and Brain Teasers Crossword Puzzles Vol 1 (Crossword Puzzles Series):

2 of 2 people found the following review helpful. Incomplete LogicBy MaidenhkI'm not an expert with crosswords, but I believe there should be clues for both Across AND Down. Not only did it not have the Down clues, the Across clues were not all included either. It says upfront the ebook is a "PRINT DUPLICATE," so does that mean the print

edition is also missing all the above mentioned? Hope this can be fixed, because all the Speedy Publishing Crosswords and Logic Brain Teasers I downloaded were the same. 2 of 2 people found the following review helpful. Ad For Speedy's Print Version...By classicsGGma This is another of Speedy Publishing's Kindle books that is an ad for the print version. Seen many of these in the coloring books and now am finding that Speedy is doing the same thing here. Nothing to download, can't do the crosswords on our Kindles...why get it...Don't. 1 of 1 people found the following review helpful. Missing the down clues. Don't bother..By Texas Wife Missing the down clues not worth the time to download. Has only crosswords, no logic puzzles at all in this ebook.

**IMPORTANT** - EBOOK edition of this book is an **PRINT BOOK REPLICA** and not used for completing puzzles on the device. The eBook is a preview providing useful content on the benefits of crossword, sudoku and other puzzles for both children and adults, also showing the actual puzzles available in the physical copy of the book. A **BONUS** link in the book lets you download books with high quality crossword puzzle and sudoku book PDF pages with dozens of puzzles with clues and answers that readers can **PRINT**. The download is optional, it is not the main function or purpose of this ebook - **PRINT REPLICA**. Test your brain's thinking skills through a daily dose of crossword puzzles. This book of crossword puzzles is composed of sets that will keep you busy for days. Each set may or may not have a theme so it's best to expect questions on math, science, language, history and entertainment and so on. It's a must-have book when it comes to improving your knowledge and reducing stress levels too!
