1 of 1 people found the following review helpful. Too Easy By Anne If you are looking for easy to middle difficulty this will work for you... (so far I have done about 6 puzzles and all are easy, no major challenge) if you are looking for advanced level logic puzzles, this is not it. Very nicely presented and it will do when I am waiting around with nothing to do. 0 of 1 people found the following review helpful. Great! By KDA great logic book. Perfect for the style I enjoy. I

would highly recommend this logic book to all who enjoy logic.

This stylish book is a collection of 200 challenging logic puzzles. The beautifully designed compact format makes this a must-have item for your purse or tote bag.
