**From Chalfen Andrew : Look Up Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Look Up Coloring Book:

This collection of whimsical, quirky illustrations will have you looking up with new perspective. From the adventuring Ginko Bunnies to the mysterious Magic Carpet Feeder, there are plenty of reasons to grab your pencils and fill in the blanks. You can't help smiling as you discover each new drawing and plan your palette. Printed in a large 10" x 10" format, there is a wealth of space for creativity in this coloring debut from the talented imagination of Andrew Chalfen.

About the AuthorAndrew Chalfens paintings and constructions overflow with many of the ripples, radiances, fractal blooms, and other design elements that led to his creation of the Look Up images He also makes intricately patterned, melodic hook-filled music with his band I Think Like Midnight. He lives with his wife and two cats, Bing and BeBop, in Philadelphia, PA, and tries to get out of the house once in a while.
