Prefer LA Times to New York TimesBy Bill AI find the Los Angeles Times Sunday crossword puzzles stimulating; they present a big challenge that often times appear impossible, yet I usually can complete one without assistance. For me they are a stark contrast from New York Times puzzles which I find unsolvable without help; east coast vs west coast lingo? Seems like NYT invents words to suit the puzzle world.1 of 1 people found the following review helpful. Straight forward funBy Paul L. NuzmanHaving done another volume of these puzzles the consistency is as expected. It's enjoyable in it's level of complexity but not tasking to a NYT Sunday puzzle difficulty level or being peckish and natty in detail.0 of 0 people found the following review
