Mick Manning : Los Beatles / The Beatles (Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Los Beatles / The Beatles (Spanish Edition):

This illustrated book shows how four lads from Liverpool came to form the most popular musical group ever...the Beatles! It explains the inspiration behind some of their biggest hits and offers insight into important events happening during the time. A timeline and a glossary are included.

About the Author Mick Manning and Brita Granstrom's books include Art School, Nature Watch, The World is Full of Babies - which was the Smarties silver award winner in 1996 - and What's Under the Bed?, TES award winner, 1997.
