A dot-to-dot for fans of rock! John Lennon. Prince. David Bowie. Freddie Mercury. Kurt Cobain. Janis Joplin. Amy Winehouse. Thirty instantly recognizable rock n roll idols, gone too soon, star in these dot-to-dots. Music fans will enjoy watching the beloved faces of these lost icons emerge as they complete the puzzle. Then, after all the dots are connected, they can color the picture! Each page is single-sided and perforated for easy removal, and the book comes in an attractive large format.
