Kaizen Media Group : Lost Odyssey: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lost Odyssey: Prima Official Game Guide (Prima Official Game Guides):

1 of 1 people found the following review helpful. Above average guideBy George PieleanuVery good at explaining what you need to do in the game. The maps and the placement of items on them could use a bit more fine tuning; certain maps of multi-level areas or dungeons weren't very helpful for me because they failed to explain on which level each item was and the map itself was two-dimensional from the top down, meaning the levels were just very lazily drawn on top of each other, resulting in a jumbled mess of a picture. But again, this only applied to certain maps, not all or even most or half of them. Overall, very good.0 of 0 people found the following review helpful. not too bad,

maybe...kinda...sort of...By father and husbandNeeds more details for sure. Vague at times and requires a bit of flipping pages throughout the game. Certainly helpful as this game is so in depth that its very easy to miss an important detail. The maps are not helpful at times and make you question the intelligence, or lack thereof, of the publishers. Still, your gonna need this book if you wanna do more than just the basics0 of 0 people found the following review helpful. A Must-Have for the GameBy WynterFire11Can't play the game without it. There are so many things to do and places to go, and things to find... I don't have the patience to discover every little corner of a long game like this one. The guide is complete and comprehensive, unlike some others that are vague and leave the reader/player having to guess or find answers online from other players.

Full Walkthrough for All Four Discs: Solve the mystery of Kaim's immortality. All side quests, optional areas, and super bosses revealed.
