From Assouline Publishing : Luxury Collection Room With A View (Icons) before purchasing it in order to gage whether or not it would be worth my time, and all praised Luxury Collection Room With A View (Icons):

1 of 1 people found the following review helpful. Nice pictures and interesting to see the different rooms around ...By Shannon Nice pictures and interesting to see the different rooms around the globe. The book is far overpriced for what it offered though.

A breathtaking hotel vista sets the stage for an inspiring journey. Featuring a room or suite in each of The Luxury

Collection properties that frames an exceptional panorama, The Luxury Collection: Room with a View showcases the worlds most beautiful destinations, with notable tastemakers, including Valentino global brand ambassador Carlos Souza and designer Margherita Missoni, relating their unforgettable travel experiences, from the pristine sands of Aegean Riviera in Bodrum, Turkey, to the bustle of San Francisco to the effervescent to the verdant Sacred Valley of Peru, at the base of Machu Picchu.
