Tim Bogenn, Rick Barba : Mafia III: Prima Official Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Mafia III: Prima Official Guide:

0 of 0 people found the following review helpful. It's short on details By Ryan Pitts Not bad as far as strategy guides go, but it's missing important details about how the game world opens up with wire tapping. There are two sections on

wiretaps that are simply wasted ink. They both describe the same, very basic how to and the obvious, but no details on the upcoming activities they provide. Maybe it's in the special edition.0 of 0 people found the following review helpful. ... use Prima guides for games I have never been disappointed.By Janice Wander-SchoenI always use Prima guides for games I have never been disappointed.0 of 0 people found the following review helpful. Very well detailedBy Michael YoungVery happy with the book I received. Very through and helpful to my gaming experience.
