Brian Tinsman : Magic - the Gathering: Official Encyclopedia v.6 (Vol 6) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Magic - the Gathering: Official Encyclopedia v.6 (Vol 6):

As the first great story cycle of Magic: The Gathering comes to a cataclysmic close, one thing is certain - Dominaria will never be the same again. Every card in the final chapter of the story can be found in full colour inside the Magic: The Gathering Encyclopedia Volume 6, as part of the more than 1,000 cards released by Wizards of the Coast between September 2000 and August 2001. The Official Magic: The Gathering Encyclopedia Volume 6 is the perfect reference

for all players, collectors and enthusiasts.
