Magic: the Gathering has sold billions of cards all over the world in English and dozens of translations. The huge number of Magic cards makes these encyclopedias must-haves for any serious player. They are invaluable reference guides, collecting all the cards in the latest expansions and including information crucial for collectors as well as history, rules, strategies, and techniques for playing the hottest fantasy game of the 90's and of the new century. With a

how-to-use guide, collector's history, and a visual guide incorporating the latest releases, Volume 6 of the popular card game will also feature an in-depth look at the newest set of Magic cards, full card listings for decks and sideboards, and fully updated deckbuilders' indexes. This volume includes a fully updated chapter on all the cards released since the last Encyclopedia as well as which cards are valuable and why.
