Cory Herndon : Magic The Gathering: The Official Starter Game Strategy Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic The Gathering: The Official Starter Game Strategy Guide:

6 of 12 people found the following review helpful. Magic: The Gathering Starter ReviewBy ERIN V. BOYLEThis may be a little biased because I totally love Magic: The Gathering. I really thought that this book would help anybody learn how to play the game or help somebody brush up on their technique. Also to some extent have some what of a

mastery of the game and therefore leading them on to greater things in life. 1 of 7 people found the following review helpful. Dude, killer book By C. Engebo Herndon's done it again! Most certainly, he's mastered the English language, and he owes it to his humble beginnings on Fish Pond Road. Bravo, my good man, bravo!
