**Bill Kustes : Magic with a Hand Puppet** before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic with a Hand Puppet:

Kids love puppets. But what if your puppet could also do magic tricks? This book by Bill Kustes is packed with great ideas for turning your puppet into a magician. The tricks are simple enough to be performed by adults or youngsters. The author has successfully performed these tricks for groups of children and adults. Just the novelty of a puppet doing tricks makes this truly entertaining magic. Clearly written and illustrated with over 30 line drawings, Magic with a Hand Puppet will introduce you to a new world of magic and fun!
