Jane Martin-Scott : Make Do Christmas Puppet Plays before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Do Christmas Puppet Plays:

0 of 0 people found the following review helpful. Three StarsBy Mo MoGreat pictures and ideas and script. However, there are no patterns. You must make your own.0 of 0 people found the following review helpful. Great productBy rosieAwesome book. We made all the puppets in the book and did all the skits in the book for our church VBS program. We are also going to use them at Christmas time.0 of 0 people found the following review helpful. Too complex for stated agesBy MaryHI expected fairly simple projects that elementary age children could do. These puppets are beautiful, but far more elaborate than the children we work with would be able to do. We may use the script at some time with existing puppets.

These fun, interactive books for ages 5-8 will help children retell the account of Jesus' birth, present the story of Christmas in different ways through the use of puppets the children make.
