Jorge Cervantes : Marijuana Grow Basics: The Easy Guide for Cannabis Aficionados before purchasing it in order to gage whether or not it would be worth my time, and all praised Marijuana Grow Basics: The Easy Guide for Cannabis Aficionados:

1 of 1 people found the following review helpful. lots of illustrations, step by step details and I guarantee you you'll learn many things you thought you knew but didn'tBy LLPretty interesting and has all the details and steps for the basics and advanced. I learned quite a few things I thought I already knew but he knows more. next one I want to purchase is extractions and edibles. And he also has a new one out this year supposed to be very advanced0 of 0 people found the following review helpful. Good contents and pics but for INDOOR gardening onlyBy OregonBuckeyeWhat was disappointing to me was that this "condensed" version only covered indoor gardening. I

wish I had known that before making the purchase. Otherwise, it is what it says it is "pictures with a lot of good information." 1 of 1 people found the following review helpful. Five Stars

About the Author
Cervantes is a world-renown expert on indoor, outdoor, and greenhouse cannabis cultivation. He puts more than thirty years of expert cannabis growing knowledge and hands-on experience at your fingertips with his books, articles, and photographs. His expert advice has guided millions of growers worldwide to apply simple, effective horticultural techniques to high-yield closet, basement, backyard, medicinal, and guerilla gardens. In his monthly question and answer column, Jorge's Rx, in High Times, the flagship of the magazine's cultivation section, Cervantes solves growers' problems with definitive clarity. He also pens a regular column in Soft Secrets. The magazines boast the biggest circulation in North America and Europe respectively. Cervantes still finds the time to contribute feature cultivation articles to High Times, Burst High (Japanese) and a dozen European cannabis magazines. Multilingual Cervantes also speaks at eight international cannabis fairs in Europe every year. With five books in print and more than a half million books sold, you can find his work in Dutch, English, French, German, and Spanish.
