C. S Forester : Marionettes at home before purchasing it in order to gage whether or not it would be worth my time, and all praised Marionettes at home:

First edition bound in light orange cloth with black spine lettering. Illustrated with bw photos, 12mo size, 192pp. A Good copy of this scarce book on puppetry, by the author of the Horation Hornblower series.. Orange cloth is soiled at the edges and on the spine. Spine tips are rubbed, has a tiny pinhole sized snag to the cloth at the bottom edge of the front board. Inside is clean, tight and unmarked. No dj.
