**Edith Flack Ackley : MARIONETTES, easy to make! fun to use!** before purchasing it in order to gage whether or not it would be worth my time, and all praised MARIONETTES, easy to make! fun to use!:

1 of 1 people found the following review helpful. Making Marionettes the easy wayBy Melody Grandy KellerThis is an old book dating back to the 1920s. Its major flaw is that the puppet patterns in a pocket on the inside back cover are gong, and there are no graphed versions in the book itself to show the would-be puppeteer what those patterns looked like. Anyone ordering this book stands a good chance of getting one with the patterns missing. At least it goes into some detail on puppet sewing. But this book does not deal with marionettes made of wood.
