Chronicle Books : Mary Jane Matching Game before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mary Jane Matching Game:

0 of 0 people found the following review helpful. I've played this game with my little brother...By DanielaOf course I had to remove some cards but we love it. All of my friends enjoy playing it, perfect to kill some time!

This marijuana-themed matching game is a great way to boost stoners' memory skills! Thirty-six pairs of cards feature trippy graphics and colorful illustrations of pot leaves, joints, bong, nachos, pizza, miscellany and more.
