Caroline Childers, Roberta Naas : Masters of the Millennium before purchasing it in order to gage whether or not it would be worth my time, and all praised Masters of the Millennium:

This outstanding book traces the distinguished history of the world's finest timepieces. It searches the past and explores the future of watches with regard to technology and design, new functions, features and benefits. It gives insight into the crossover between the fashion and jewelry world, detailing the pervasiveness of time in today's lifestyles and lives. Masters of the Millennium looks to newness-- fields of exploration, the use of different materials in watchmaking, and the design direction of tomorrow's timepieces.
