**Bill Harvey : Mate in 3's:: 460 Chess Puzzles from Historic and Modern Games** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mate in 3's:: 460 Chess Puzzles from Historic and Modern Games:

This is a collection of mate in 3 puzzles pulled from tournament, simul, correspondence and internet play. There are many classics but just as many puzzles from recent years. It is a perfect collection for the serious student who wants to see three moves ahead on the chessboard.
