She went through most of it in 2 days, and I was hoping it would last longer.0 of 0 people found the following review helpful. Not age appropriateBy Pamela A FrenchThis book is terrible. I bought it for my first grader and it is NOT for first grade. I teach preschool and I will use some of it for them. It is a very small, thick book with very few pages. Colorful but not age appropriate.

Invest in your child's mental development as much as you would for his/her physical improvement. Luckily, don't have to make such a huge investment because this big book of mazes, puzzles and more exists! By playing mind games, your child's strategic thinking skills grow. This is important in solving problems either in school or in life. Secure a copy today!

About the AuthorBaby Professor showcases a collection of subjects that would be educational for kids to help them learn how to do something themselves or shows how something is done or how it came about. Children love to learn through attractive visuals and Baby Prof. is the perfect starting point to get your child the head start he or she needs for the future. Our Motto - "Learning is Fun, so let's Make it Fun to Learn".
