Excellent Value Guide-Very thorough, Great color pictures!By A CustomerWhat luck to run accross this wonderful guide the first time searching for such a book. This is a very large book, with color pictures of all type of McDonald's collectibles-in addition to all the happy meal toys. It also provides a facinating history of how the business got started along with pictures of the founders and the 1st restaurants, also included are pictures and values of memorabilia such as uniforms, paper french fry bags and the large ride on toys and Ronald figures used inside the restaurants. This books gets a A+ from me.

Fun, attractive, and well-made, many McDonald's ephemerae are tied in with other collectibles such as those from Coca-Cola and Disney. This book provides information on all types of McDonaldiana, with detailed descriptions and more than 1,000 color photos.
