I expected a more tutorial on how to make various builds, instead it was more of a showcase of other's builds without instructions. Title somewhat deceptive.1 of 1 people found the following review helpful. It's okay but not what I expectedBy RealdealWas very excited for this book but I thought it would have more details about the actual building. Like, more strategies or how to build in mods but it just has a bunch of pictures pretty much.0 of 0 people found the following review helpful. If you just bought the game and know nothing about ...By Beatlebomb76If you just bought the game and know nothing about Minecraft, this is the book for you. It explains how to build and the materials you need. It explains monsters, how to kill, what weapons to use and how to beat the game. Very informative for a beginner

From your very first night making torches and a bed to your first Redstone build to defeating the Ender Dragon, this book will put a wealth of knowledge at your fingertips with hundreds of tips, tricks, and tactics. Whether you're looking for the most advanced farming, mining, and fighting techniques or you're looking to try out the most awesome servers, mods, minigames, and Redstone creations, Mega Builder has it all and more. Almost anything is possible in the wide world of Minecraft you're only limited by your imagination and your knowledge of the game.
