I'm using the 2015 calendar right now and have this one when 2016 rolls around. The puzzles are great. While I don't think they're really MENSА quality, I feel quite "smart" when I've completed the daily one. Really a nice way to start the day with a puzzle and a cup of coffee. 1 of 1 people found the following review helpful. Fun crosswords! By cooker 1 I love these calendars with the crosswords. I tend to keep them for traveling as you can tear off a small stack and then pack it in a carry on for a plane or car trip. The difficulty is enough to keep it interesting while easy enough to get a sense of accomplishment. And the answers are on the back of the same puzzle so the cheat sheet is close! 1 of 1 people found the following review helpful. ... previous year's edition of the same Mensа Crossword and loved it; I usually don't try to time myself By Arvid R. Murphey Have used a previous year's edition of the same Mensа Crossword and loved it; I usually don't try to time myself, but will work w/o looking at the solution unless I am absolutely stumped! These puzzles are the best of their kind; extremely challenging and often making you think "outside the box". Would recommend this for any true CWP enthusiast.
