I started wrapping this for my brother for Christmas... about 45 minutes later I finished wrapping it, after solving four or five puzzles and tearing myself away from others left unsolved. I liked that I could solve at least something there - not that I'm Mensa material, but some I could solve, some it took a great deal of effort to solve, some I smacked my forehead when I cheated and read

the answer, and some I couldn't solve in a hundred years - so a good variety, which makes it more entertaining.1 of 1 people found the following review helpful.
