Excellent for those who want a good challengeBy A CustomerIf your one of those who loves to challenge his co-workers with a good puzzle, and possibly prove your brilliance, or even if you enjoy an occasional puzzle, this is the thing for you! I enjoyed using these cards whenever I needed to relax my mind after doing some stressful work, and knowing that solving these puzzles (unofficially) qualify you as being 1/50 people who are eligible "Mensans". Warning: This can be very addictive, and also frustrating if you cannot solve the puzzle. My advice is that if you can't get a puzzle solved, sleep on it... most of the time you'll be like "Oh yeah! How could i miss that?".2 Words for you: Buy It.

Continuing the success of our first two Mensa Decks, Chronicle Books is pleased to introduce four new decks -- two
