Bob Jones, Stacy Brown : Michael Jackson: The Man behind the Mask before purchasing it in order to gage whether or not it would be worth my time, and all praised Michael Jackson: The Man behind the Mask:

0 of 0 people found the following review helpful. Poorly written not sure what is truth, fabrication or ...By Felicia L.Poorly written not sure what is truth, fabrication or full out lie. Bob Jone's in court said some of the book had to be sensationalized to sell and this is w men MJ was on trial fighting fir his freedom. Some friend after 30 years0 of 0 people found the following review helpful. Five StarsBy rosemary cI loved it!0 of 0 people found the following review

helpful. This Book is ok but something you just can't believe. By Customer First of all I read this book I found some interesting things in it something I believe and something I just refuse to believe I am a fan of Michael Jackson and I felt like I been knowing him since we was children we are the same age and I still can remember when I first saw him back in 1968 that how far we go back The Jackson Five.

'Michael Jackson: The Man behind the Mask' is the INSIDE STORY of the truth behind the rumors, ugliness and mystery surrounding Michael Jackson. Is Jackson just a confused person who got too much fame too soon or is he a cold and calculating villain who will stop at nothing to have his bizarre appetites satisfied? Now you can read about it for the first time from the man who knows everything! The author, Bob Jones, is not a journalist conducting interviews but somebody who has known and been with Jackson for 34 years as his chief of Public Relations; by his side since Michael was 11 years old. Bob Jones is the one person with this unique inside view of Michael Jackson's world. To a certain degree, Bob Jones CREATED Michael Jackson. He created his image. For example, Bob Jones created Michael Jackson's famous nickname "The King of Pop". This book is explosive and will make any other book about Michael Jackson instantly forgotten. You won't find this inside information anywhere else.

Michael Jackson's second-worst nightmare has happened... -- Fox News From the Publisher This book is explosive and will make any other book about Michael Jackson instantly forgotten. You won't find this inside information anywhere else. About the Author Bob Jones is a huge figure behind the scenes of American pop music. Joining Motown in 1970 as a publicity manager, he created the media campaigns for artists including the Supremes, Lionel Richie and DeBarge. When Michael Jackson formed a communications division of his own company, he picked Jones to head it. In 1995, BET saluted Jones with a prime-time documentary tribute.
