It's super cool because it hits on a FEW of my favorite things...first of all her art is beautiful...I've seen her murals and paintings in person and they are astounding...it's actually how I first learning of Sophie Roach and then I heard about this book...It's also great for coloring in...opposite every maze there are designs or you can even color in the mazes after you finish...so many options. The mazes are a nice addition to the coloring book craze- an added bonus. To be honest, when I first got it I didn't even want to use it...it's too pretty. It lives on my coffee table now and people love to look through it and I let guests do the mazes or color...so fun! Great gift! 1 of 1 people found the following review helpful. About the Author Sophie Roach is a self-taught artist and illustrator based in Austin, Texas. She discovered her passion for compulsive drawing when she was supposed to be paying attention to lectures at the University of Washington. By using familiar shapes, patterns, and her own intuition, Roach has created a unique visual language based on spontaneity and rhythm. Her abstract style is playful yet austere, extremely detailed and often vibrantly colored. Her client list includes Nike, Converse, Complex, Fiat, Kit Ace, Austin City Limits Music Festival, Uber, and MiO.
