**Puzzle Crazy : Mind Wrapper Sudoku Challenge Puzzles Vol 1: Difficult Sudoku Books Edition (Sudoku Puzzle Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mind Wrapper Sudoku Challenge Puzzles Vol 1: Difficult Sudoku Books Edition (Sudoku Puzzle Series):

0 of 0 people found the following review helpful. Too much space dedicated to solutions and not puzzlesBy Jason RiegThis is a smaller book of puzzles than I was expecting. There are two puzzles printed on every page, which makes

it a little cramped for making marks. The solution tables are the same size, so it unnecessarily takes up half the book. I would have preferred a larger puzzle, with one per page, and the solutions to be much smaller (maybe four or six to a page). Does anyone really use the solutions? Because if you solve the puzzle, it is correct. 1 of 1 people found the following review helpful. Five Stars By Joan E. Mamo Worked my mind. 0 of 0 people found the following review helpful. One Star By Donald L Runyan Don't know how to use it.

**IMPORTANT** - EBOOK edition of this book is an **PRINT BOOK REPLICA** and not used for completing puzzles on the device. The eBook is a preview providing useful content on the benefits of crossword, sudoku and other puzzles for both children and adults, also showing the actual puzzles available in the physical copy of the book. A **BONUS** link in the book lets you download books with high quality crossword puzzle and sudoku book PDF pages with dozens of puzzles with clues and answers that readers can **PRINT**. The download is optional, it is not the main function or purpose of this ebook - **PRINT REPLICA**. This Sudoku book is not for the hotheaded. The level of difficulty of the puzzles included here are reserved for the serious learners and those who have the patience to really think deep and figure out patterns. You will not be given clues; rather, you will be left on your own strategies. If you think you can complete this Sudoku book, then buy a copy today!
