0 of 0 people found the following review helpful. preview itBy Amy KincaidI downloaded this book when it was offered free on . It was very helpful to get a copy of the book before I bought a printed version. If you want to find

more free books, just search for a subject and sort the results by price. If you want to work on a puzzle, you can take a screen shot and then print that picture so you can write on the paper. I'm not sure it is worth it though since you have to print each puzzle you want to work on. With the cost of ink, you might as well buy the book. It is nice to check out the book first though so you can ensure you will be happy with your purchase. You can also use various programs to be able to write with your finger onto the puzzle if you make a screen shot and then open it on your tablet or phone. It's kind of a hassle though, unless you are tech savvy and whip through the pictures, etc. 0 of 0 people found the following review helpful. Five Stars By Customer These fit my ability well. 0 of 0 people found the following review helpful. eh, By WON SUK, HWANGI dont know. it was kind of good and not much typos but i think this book is kind of boring. But ovisally this book is good but not perfect. So i give this four star.
