to understand. Won't recommen, but seller delivered a book in good condition.1 of 1 people found the following review helpful. Great resource for JUMBLE puzzlesBy Robert J. LoweMy mother does JUMBLE word puzzles and wore out her previous copy. This is the only book I could find that does the finding of set word lenghts with specific letters. I guess most people use computer or internet programs now, but my mom is still a book person. -- ONE OF KIND type of book --

Organized alphabetically, a handy guide helps puzzle solvers when they know only two letters of a three- to six-letter word and contains more than 300,000 entries broken down into all possible combinations of missing and filled-in letters.
