**2K Games : The Art of Evolve** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Evolve:

3 of 3 people found the following review helpful. Almost perfectBy Tom RussoThe Art of Evolve is an excellent book for any video game concept art lovers. I loved being able to watch the evolution of both hunters and monters design started and ended. The only (minor) setback is that this book came before any DLC was available, so new monsters and hunters were not included here.0 of 0 people found the following review helpful. The section focusing on the Monsters is surprisingly short - I would have loved to learn more about the design histories behindBy CustomerMy only complaint is that this book isn't longer. The section focusing on the Monsters is surprisingly short - I would have loved to learn more about the design histories behind each of the game's headlining creatures. I would say the same about the wildlife section, but I think that's just because I'm the sort of person who would buy a "Field Guide to Shear" in a heartbeat. If you are the sort of person who would econsider buying this book anyway, it'll probably be worth it for you.0 of 0 people found the following review helpful. This is a great book for those looking to understand how game design ...By Jason A. IrizarryThis is a great book for those looking to understand how game design influences the art of the game and how ideas or requirements for the game inspire more designs to come about. Great book, I highly recommend it.

A thrilling monster-hunting game unlike any other, Evolve delivers groundbreaking multiplayer and epic boss-battle experiences. The intense competitive shooter features a team of human players hunting down a fearsome player-controlled beast. This enthralling coffee-table book chronicles each step in the creation of Evolve, featuring never-

before-seen developmental art such as monster designs and character concepts. A comprehensive behind-the-scenes look at Turtle Rock Studios and 2Ks bold new game, *The Art of Evolve* is packed with hundreds of sketches, character illustrations, environment art, and more. Accompanying the stunning artwork is insightful commentary from the artists and developers, providing a unique glimpse into the video game development process. An in-depth exploration of the multiplayer shooter, *The Art of Evolve* is the essential companion to the exhilarating monster-hunting adventure bound to ensnare gamers worldwide. Evolve 2010-2014 Take-Two Interactive Software Inc. Evolve, 2K, and their respective logos are property of Take-Two Interactive Software, Inc.
