**Ian Miller : The Art of Ian Miller** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Ian Miller:

1 of 1 people found the following review helpful. An INCREDIBLE retrospective!By VathekReceived "The Art of Ian Miller" yesterday and am simply blown away!I've been exposed to some of Miller's art over the years (primarily through older UK paperbacks), and when this book was announced I did a quick Google image search and saw that his work looked even more up my alley than I would have expected.So I eagerly opened the box from yesterday and ended up getting completely lost in this book for almost an hour. It was a darkly magical experience!This book has great production values: perfect size and form factor, nice paper, logical presentation of Miller's dense and hyperimaginative illustrations, well-printed and color-corrected reproductions, etc. For overall effect, I'd put "The Art of Ian Miller" up there with the Underwood Frazetta trilogy - it's just that good!I don't know if they give out World Fantasy Awards for art books, but if they do "The Art of Ian Miller" deserves one.0 of 0 people found the following

review helpful. Purely awesome!By willis tawneyHard to give this anything aside from an exceptional rating as i've always had pretty high opinions of his art. There is enough diversity in the included selections that you are almost certain to encounter pieces you've not yet seen.An incredible collection of art that i for one, am extremely happy with!1 of 1 people found the following review helpful. I fell in love with Ian Miller's artworkBy SpaztrickAfter getting a copy of Realm of Chaos: Slaves to Darkness in the late 80s, I fell in love with Ian Miller's artwork. This book is a great primer to his artwork for those who do not know who he is.

Featuring over 300 pieces of artwork spanning decades of Ian's work, this collection is a treat for all lovers of great fantasy art - from Lovecraft novel covers to Tolkien bestiaries to Warhammer 40,000 concept art, through a veritable trove of gothic humour, fantasy battles, dragons, beasts and a world of nightmarish visions.

"Ian stands as one of those artists that a creative person can use as inspiration." - Dont Forget Your Towel"ATreasure for anyone passionate about illustration." - Friday Illustrated"Astunning collection that should be on the shelf of any Sci Fi aficionado." - Junkyard Arts"An art book that can give you nightmares." - Things To Do In LA"I wasnt familiar with artist Ian Millers work before getting my hands on this beautiful oversized hardcover art book The Art of Ian Miller. But wow, was I blown away by just the books cover alone!" - The Blot Says"A great book for Ian Miller fans, fans of fantasy art, and for writers that want some images to spark their imagination." - Fantasy Writers Workshop"The book is gorgeous and Millers drawings are something you can go back to again and again and find new things every time." - Comic Book Resources"A step inside of the dark, detailed, and meticulous mind of Miller." - Nerdology"An exciting and vivid collection. This book shows Miller is able to draw in a unique way, all from his own head, that shows a sense of wonder you cant get from every artist. That makes this read a very worthy compendium of art for those who are interested in Miller and those who are simply interested in escaping this very ordinary world." - Adventures in Poor Taste"Awe-Inspiring." - Huffington PostVivid colors and jaw-dropping beauty layer each page. No areas of disappointment, or in hindsight to be found in this book. As an avid fan of art books, this is one I know Ill never part with. Another Castle"Amust read for any serious fantasy or sci-fi illustration aficionado." - Sci-Fi-O-Rama"if you are anything like me; a lover of fantastic creatures that defy imagination as well as the fantastic environments they call home, this collection is an absolute must have." - Retroist"You may not know Ian Miller's name, but you've definitely marveled at his ornate, harrowing art." - io9"The production value of this book is plain perfect." - Pins of WarAbout the AuthorIan Miller is a fantasy illustrator and writer best known for his quirkily etched gothic style and macabre sensibility, noted for his book and magazine covers and interior illustrations, including SF fiction covers, a host of illustrations for the Realm of Chaos supplement and the first edition of Warhammer 40,000, work for Fighting Fantasy gamebooks and covers for Terror of the Lichmaster, Death on the Reik, and Warhammer City.
