performances. It's exactly what I was looking for, and gives a great practical look at stage work.0 of 0 people found the following review helpful. Works as needed.By Christina S.Arrived on time and in pristine quality and does the job for necessary readings for my college course.

Written just before the author's death in 1958, this book is an autobiography in art, a gathering of experiences in performance, and a lucid and practical source book on choreography.
