This does not disappoint in any way. From the print quality, to the information, interviews and art. 0 of 0 people found the following review helpful. Ace Attorney is a favorite in our home, and this one is definitely a PG-13 edition with a few unwanted words, so if your child is younger, not a good buy, but clean enough for my teenager. She loves it and has had it a few months and hasn't stopped reading it. Good for an Ace Attorney lover. 4 of 4 people found the following

I actually bought the original Japanese one when it first came since I wasn't aware that they would make an English version. The original concept designs are really fun to look through! And the coloring is superb.

Objection! Phoenix Wright is back! After a hiatus as the lead protagonist of series, the original Ace Attorney has returned as the series' top defense lawyer. The Art of Phoenix Wright: Ace Attorney - Dual Destinies collects the artwork behind the latest installment in the popular Capcom franchise. Included are character designs, pin-ups, storyboards, character profiles, and much more!
