Ramin Zahed : The Art of Rise of the Guardians before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Rise of the Guardians:

The Art of Rise of the Guardians is a fascinating look at the ways artists and craftspeople collaborated to create a stunning CG movie in 3D that will change the way we look at childhood. Rise of the Guardians is one of DreamWorks Animations most ambitious films to date, allowing families to get to know the icons of childhood in a whole new way. Its mythic premise provided the artists at the studio with an opportunity to let their imaginations soar, producing a truly unique take on the imaginary figures of childhood and the innocence and joy they represent.
