Shepard Fairey : The Art of Shepard Fairey: Obey Supply Demand before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Shepard Fairey: Obey Supply Demand:

0 of 0 people found the following review helpful. Never fails to impress By Ulisesps I bought this book for my girlfriend's thesis research on urban propoganda. It is an invaluable contribution to a real responsible expression of our own urban culture studies. We met Sheppard Fairey when he came down to Puerto Rico some years ago and were mesmerized by his work. His professionalism and his eye for detail on his technique mixed with his approach and use of the elements of design makes the message clear and relevant. Every time we see any of his work its a very pleasant and impressive experience. 1 of 1 people found the following review helpful. Obey Sheppard Fairey By Weldon Pops An impressive collection of works through his personal timeline. Beautifully bound, loving attention put to every part of the book. The printing is top-notch, a quality item all the way. There is a wonderful insight to the OBEY

project, Andr the Giant, and many of the poster and print runs he's produced. It sits proudly on my coffee table, bedside table, in my art studio. Don't think, just spend the bucks, you'll be glad you did! 0 of 0 people found the following review helpful. Check the book before it's too late. By w.r It came completely torn at the seams. Too late to exchange or return it.

Supply and Demand is the book that finally does justice to Shepard Fairey's entire body of work, a massive retrospective covering 17 Years of this groundbreaking artist's prodigious output. Through the lens of esteemed writers and critics such as Carlo McCormick, Steven Heller and Roger Gastman, Fairey's work is seen for all its depth and placed in context as art, design, social experiment and "getting over". This massive book pulls no punches and all areas of the enigmatic artist's work, travels and travails are illuminated; from exhibitions, posters, flyers, silkscreens and stickers to high altitude pursuits, citations and police beatings, it's all documented in a museum quality layout and binding. The evidence is in, and it's clear that Shepard Fairey is not one to rest on his laurels, the work must go on. For both long time fans wanting the complete collection and those just curious to know what this OBEY business is all about Supply and Demand is the answer.
