I especially love how they give some descriptions of the thought process behind each character when they were first being conceived. A must have for any Uncharted enthusiast and art lovers.0 of 0 people found the following review helpful. Absolutely gorgeous artwork and great story of how Uncharted came to beBy Rambling RoseAbsolutely gorgeous artwork and great story of how Uncharted came to be. Took me back to the hours (days) spent playing the games and made me long to play them again! Loved this!0 of 0 people found the following review helpful. Great compilationBy Igor K.Excellent compilation of artwork for Uncharted fans. I only feel that 192 pages is a bit short for three games, but I do like

comments and captions throughout the book. They really add to the content. Resolution for digital version should be improved at the cost of download size.
