Beautiful illustrations, informations - GWENT The Witcher LoreBy DevaizterIf you loved playing GWENT in The Witcher games then you'd probably want to try GWENT from CD Projekt RED. This book is a great companion to the latest Witcher Game called GWENT that surrounds only about the fun and addictive card game GWENT! this books includes very beautiful illustration of most of the GWENT cards and adds extra lore information on them as well as extra lore on the The Withcer universe itself. very exquisite book!0 of 0 people found the following review helpful. CDPR goodieBy Vladimir ValchevGreat book for the fans of Gwent, the art is really good:)10 of 10 people found the following review helpful. Two Thumbs Up!By XinraAs a fan of The Witcher, this art book really excited me. GWENT is a great card game, with fantastic art to go along with it. The book

is laid out into seven chapters that covers Monsters, Northern Realms, Scoia'tael, Skellige, Nilfgaardian Empire, Neutral Forces, and Special Cards. Each card is gorgeously presents with the name, which artist designed it, and a brief detailed description of what is captured on each card. It's presented in a way that anyone unfamiliar with Witcher lore will certainly pick it up quickly (in my opinion). I found myself absorbed into each page, soaking in all of the detail. Dark Horse has done a wonderful job publishing this book, and I highly recommend it.

Whether played on the exotic felt tabletop in a palatial casino, or on the rough-hewn bar in a tavern's smoky din, the game of Gwent is never a dull one! With cards that feature fantastic art that only adds to the strategic thrill of crushing one's opponent, Gwent: The Witcher Card Game offers a singular gaming experience. Now, Dark Horse is proud to present each cards' gorgeous artwork in a stunning hardbound volume. Celebrate wondrous artistry and cutthroat gameplay with *The Gwent Gallery: Art of the Witcher Card Game!*

About the AuthorThe CD PROJEKT RED studio, founded in 2002, develops and publishes videogames for the world's leading hardware platforms: Sony PlayStation, Microsoft Xbox and personal computers running Windows or OS X. Gamers have purchased more than 20 million copies of games from The Witcher series - the Studio's flagship franchise.
